

What's Hot and What's Not

-Products you don't want to miss at EuroMold 2007

Seminar and networking event after the exhibition day
6.12.2007, Frankfurt /Main, Germany

Speaker:

Terry Wohlers

Wohlers Associates, Inc.

Industry consultant, analyst, and author Terry Wohlers will uncover some of the most interesting prototyping and rapid manufacturing products and companies at EuroMold. Save yourself time and energy and get the most out of your EuroMold experience.

Wohlers will also highlight:

- Important industry trends in additive fabrication (AF)
- Current state of the AF industry
- What the future holds

Wohlers has given 50 keynote presentations on five continents and authored 330 books, reports, and articles on rapid product development and AF.
